TO THE 2025 DESERT DASH RACE

MARTHA MURORUA
Managing Director
of Nedbank Namibia

There is an unmistakable sense of excitement in the air as we prepare for the 21st edition of the iconic Nedbank Desert Dash. Over two decades of grit, determination, and triumph have brought us to this moment, and without a doubt, this year's race will once again showcase the resilience and spirit that define this event.

From the Khomas Hochland mountains to the Atlantic Ocean, the 401-kilometre journey across the world's oldest desert remains a true test of endurance and mental strength. For those tackling the race for the first time, get ready for an experience unlike any other. For our returning riders, welcome back - your passion and perseverance inspire us all.

The Nedbank Desert Dash is more than a race - it's an economic and social catalyst which creates opportunities for small enterprises

in Windhoek and Swakopmund. It also reflects our commitment to sustainability and community development, with initiatives like the #GetMoneyFit campaign, empowering Namibians to build strong financial habits.

We salute our incredible partners and volunteers whose dedication ensures the success of this event. And to every rider, supporter, and fan: thank you for being part of this journey.

I would like to end with a quote by Greg LeMond, which says 'It never gets easier, you just go faster.'

May your ride be filled with strength, joy, and unforgettable memories.

Best regards

Martha

IMPORTANT RULES OF THE EVENT

- Safety is paramount for this event.** Drive carefully and safely at all times. The route is a loose, stony, dirt road with blind rises, steep camber and sharp curves. Be on the look-out for cattle and wild animals (both night and day).
 - Take responsibility for your team (the back-up driver is the 'team captain').
 - Each support vehicle must display the supplied team number stickers on the vehicle: Small A5 - top left front windscreen, larger A4 - top left rear window.
 - No 4-person support vehicles will be allowed to depart Friday after 13:30.
 - All solo, 2-person and Half-Dash support vehicles must take the route on C28 to Check point #2.
The total distance is about 220km. See OVERVIEW for details.
 - Always depart from each Check point as soon as possible after your rider has started the stage.
 - Support vehicles are only allowed to stop at the Check points and the Finish Zone. Stopping at any waterpoints or anywhere else along the route will result in your team's disqualification. Unless special permission has been granted.
 - Vehicles are not allowed to leave the road. Under no circumstances are you allowed to drive against traffic. Only ambulance and official vehicles have permission to do so.
 - No team vehicles may overtake cyclists while descending a slope or hill.**
Vehicles to stay behind cyclists until the road is flat/ascending and it is safe to pass. This is particularly imperative for the last few kilometres to Goanikontes.
- Maximum speed: 80km/h. Passing speed: 40km/h**
- At the Finish Zone in Swakopmund you might be guided by a marshal to a dedicated parking area. Although there will be security guards present, please ensure that all belongings are secure and safe. You're using the parking area at your own risk.
 - Please notify the staff at the respective checkpoint if one of your riders has decided to DNF. This is imperative as we otherwise end up looking for them.

IMPORTANT RIDER INFORMATION

- After sunset, a red rear light visible from behind, must be affixed to either the rider or the bicycle and must stay on while the rider is on the route.
- Ensure that you have sufficient lights and batteries for your night stages.
- Riders may only receive team support vehicle assistance at Check points. Everywhere else you are only allowed to get assistance from other riders. Make sure you are relatively self sufficient and carry some basic spares and tools.
- At Check point #1** only solo and 2-person team riders have access to the Superspar Refresh Zone.
All 4-person team riders as well as their support drivers do NOT have access to the above Refresh Zone.
- If you have to listen to music please just in one ear, the left one! so that you can be aware of traffic. From the start all the way to Kupferberg (checkpoint #1) no music allowed at all please.

IMPORTANT INFORMATION

- ! SOLO riders start at 14:00, 2-person teams start at 15:00. 4-person teams start at 15:30.
- ! Half-Dash riders will start at Hollard / Halfway point 24:00. Cut-off 14:30.
- ! If a team rider does DNF then the rest of the team may continue, but will not get a time nor finishers medal.
- ! Only one rider per team will start at the Grove Mall. All team riders to depart Goanikontes for Stage 5.
- ! Back-up vehicles over a maximum weight of 5500kg are not allowed.
No trucks (applies to 4-person teams only).

NB: 4-person back-up drivers:

Seeing that only one rider will start on Stage 1 (Grove Mall until Checkpoint #1 SUPERSPAR 102km) there is no need for the backup drivers to support riders on Stage 1. You will thus be required to depart Windhoek by 13:30 latest on Friday.

The aim is to have a dust-free Stage 1. Any backup vehicles on Stage 1 after the race has started will lead to a 2-hour penalty for your team.

Friday, 5 December

SUPPORT VEHICLE TIMES:

- 13:00 ENSURE THAT YOUR RIDER IS IN THE START CHUTE.
- 13:30 ALL SUPPORT VEHICLES TO LEAVE THE GROVE MALL.
